# Changing the Story Multi-media Newsletter: Issue One Out Now

Written by [Lauren Wray \(University of Leeds\)](#) and [Aisha Kayani \(University of Leeds\)](#)

Changing the Story is thrilled to launch Issue One of our new, interactive, multi-media newsletter curated by CTS Project Administrator, Aisha Kayani.

‘Inside Changing the Story’ is designed to help you keep track of what is going on across the project, so you never have to miss an event, opportunity, or project update. Each newsletter will feature exclusive videos and interviews with our project partners, never before seen artwork and films, and will highlight ways you can connect and engage with the project.

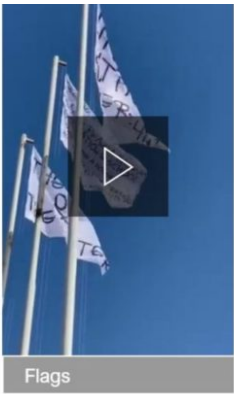

In [Issue One](#), check out all this and more:

- An exclusive interview with [Changemaker in Film Summit](#) curator, Jacqueline Adjei
- Reflections on the Changing the Story Festival from Research Assistant, Jeta Rexha
- Not to be missed video highlights from the [Creative Expression among Young Cambodians](#) and Oxfam co-hosted event
- The fantastic trailer to the animated documentary ‘Operation Berlin’

Does this sound like something you don’t want to miss? We have made it extra easy to receive all this amazing content...all you have to do is subscribe [here!](#)

By subscribing, you’ll receive early and exclusive access to our monthly newsletter. You can unsubscribe to the newsletter any time (though we hope you won’t!).

Stay tuned for Issue Two on our Young Changemakers Strand, coming this August!
